CROWDS BREAK POLICE CORDONS AT AIRPORT

TRIUMPHANT DRIVE THROUGH CITY

LEAGUE FLAG UNFURLED AT GOVERNMENT HOUSE

FROM OUR STAFF CORRESPONDENT

KARACHI, Aug 7.—More than 50,000 people, who in their enthusiasm broke several rings of police cordons, thronged Maunipur airport this evening to welcome the Governor-General-designate of Pakistan, Mr Jinnah. They came in cars, taxis, lorries, gharries and on cycles, while there were a few who came on foot.

THE crowd at the airport had to be cordoned off in three sections, but a large number of police and Muslim National Guards were unable to check a surging mass of people, shouting slogans, as the Viceroy's Dakota plane, carrying Mr Jinnah, Miss Fatima Jinnah and two ADCs, landed.

Dressed in a cream-coloured silk sherwani, a shalwar and cap, Mr Jinnah was greeted by the four members of the Pakistan Government who arrived yesterday, the Premier of Sind, other Ministers, the Mayor of Karachi and the Citizens' Reception Committee.

Mr Jinnah and his sister were profusely garlanded. A gesture by Mr Jinnah which evoked great enthusiasm and was warmly appreciated was when, accompanied by Miss Jinnah and Mr Yusuf Haroon, President of the Sind Provincial Muslim League, he walked round the airport and talked to the "people of Pakistan", to quote his words.

Hundreds of cars formed a three-mile-long procession and followed Mr Jinnah as he drove down a 15-mile route to Government House. The roads were lined by thousands of citizens, who waved League flags and shouted slogans.

At Government House, attended by two scarlet-robed orderlies bearing silver maces, Mr Jinnah inspected a guard of honour furnished by a company of the cauch regiment. As he stepped into Government House, after members of his household had been introduced, the Muslim League flag was unfurled. A merchant and naval ships in Keemari harbour were dressed for the occasion, while many buildings, offices and residences flew the Muslim League flag.
