

Dharna outside 5-star hotel

By A Staff Reporter

NEW DELHI, December 9: A group of workers of the Youth Congress (S), Yuva Janata and Yuva Lok Dal went on a day-long dharna today outside a proposed five-star hotel being financed by a private company.

In a press release, the demonstrators alleged that the hotel was a "symbol of corruption" as "official machinery" was being misused for its construction. A local M.P., Mr Charanjit Singh, is connected with the company.

It added that the hotel was being built next to two public sector hotels — Ashok Yatri and Janpath, and this was contrary to practice.
